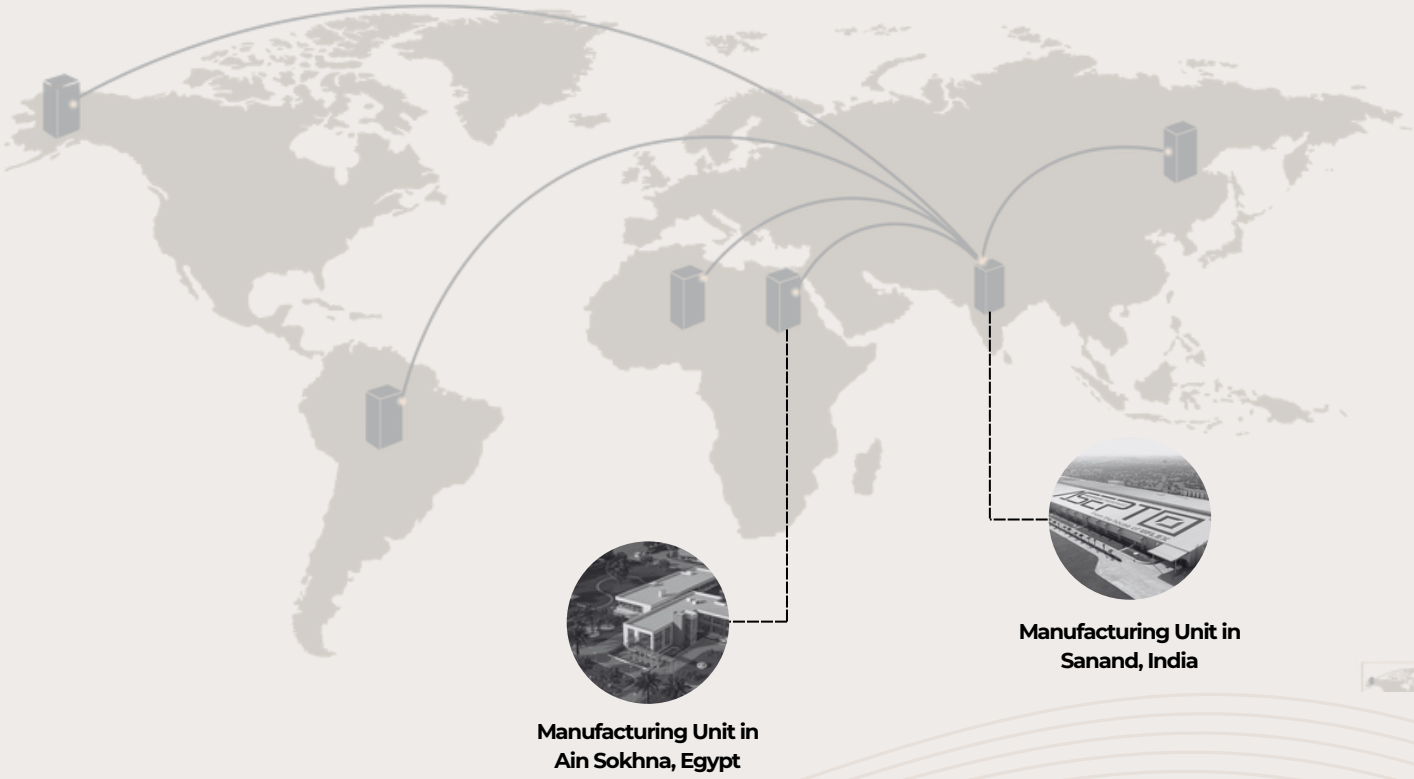
ASEPTO'S GLOBAL REACH

ASEPTO'S GLOBAL REACH

Aseptic Solutions. A World of Possibilities.

From the Americas to Europe, MENA, Africa, and the CIS, Asepto brings aseptic packaging solutions closer to markets, businesses, and consumers.
Every market has its own preferences, consumption habits and business needs. We combine global manufacturing, packaging innovation, and market-focused solutions to help beverage and liquid-food brands meet local demands and global ambitions.



Manufacturing Unit in Ain Sokhna, Egypt

Manufacturing Unit in Sanand, India

60+	24 BN*	250+
COUNTRIES SERVED	PACKS ANNUAL CAPACITY	CUSTOMERS REACHED

** Actual Capacities may vary depending upon the format sizes*

Let's begin your journey with a brand that believes in making the world sip smarter.

OUR INSPIRING LEADERS

At Asepto, our leadership sets new benchmarks and delivers unmatched value to our business partners with their vision, innovation, and deep industry insight.

VISION

To create a sustainable global model for liquid packaging involving innovations and disruptive technologies to offer flexible, dynamic & differentiating solutions to the beverage companies at large.

Mr. ASHOK CHATURVEDI
Founder, Chairman & Managing Director
UFlex Limited

MISSION

Contribute towards development of a world where every mankind has access to safe and pure food, & live a healthy life in an environment free of pollution.

Mr. ASHWANI KUMAR SHARMA
President & CEO
Liquid Packaging Business, UFlex Limited

Want to know how our leaders
have guided us to become the trendsetters?

SETTING BENCHMARKS

OUR JOURNEY. YOUR ADVANTAGE.

We began our journey in 2017 in Sanand, India, with a clear mission to lead.

Today, as India's top aseptic liquid packaging brand, we are setting new benchmarks – with a new plant in Egypt, and next goal to become the World's No. 2 Roll-Fed brand by 2028

INNOVATION-DRIVEN PACKAGING SOLUTIONS

FASTEST FILLING LINE & CUTTING- EDGE TECHNOLOGY

SERVING BILLION SMILES EVERYTIME

2017

Started with 6 Bn capacity, expanded to 18 Bn packs for global growth

Pioneered innovations in aseptic laminates. Added filling lines, and 24/7 global technical support

Launched u-shaped paper straws, and Design Shop – completing the end-to-end aseptic liquid packaging vision. Expanded filling line capacity up to 25,000 packs per hour

2026

Egypt plant – powering global packaging excellence

Think that's bold?
Wait till you see where we already are.

OUR PORTFOLIO

12 SHAPES | 42 SIZES

BASE

Base offers the most standard sizes that are well-adapted to the market and consumers' consumption patterns.

SIZE/ OPENINGS	SCISSOR CUT	PERFORATION	PLH	PPH
100 ml	✓	✓		✓
200 ml	✓			✓
250 ml	✓			✓
500 ml	✓			✓
1000 ml	✓	✓	✓	

CURVE

The curve is the modified version of Slim with an added branding space that enhances the visibility of the brand from different angle and dimension.

SIZE/ OPENINGS	SCISSOR CUT	PERFORATION	PLH	PPH
125 ml **Slim**	✓			✓
200 ml **Slim**	✓			✓
250 ml **Base**	✓			✓
250 ml **Slim**	✓			✓

MID

Mid packs offer the durability of standard Base size in portion packs category. They go easy on the grip and provide ample branding space.

SIZE/ OPENINGS	SCISSOR CUT	PERFORATION	PLH	PPH
200 ml				✓

Footnote
PLH: Pre-laminated Hole
PPH: Pre-punched Hole (Straw)
Asterisk*: Launching Soon

SLIM

Slim packs are easy to hold and fit the grip. They are best suited for on-the-go and in-home consumption packs as they are designed to carry convenience across all consumption points.

SIZE/ OPENINGS	SCISSOR CUT	PERFORATION	PLH	PPH
80 ml	✓			✓
